

VERITAS®

ADVISORY GROUP, INC.

WHEN THE CONSULTING IS CRUCIAL™

ABOUT US

Veritas Advisory Group, Inc. consists of professionals with degrees in the fields of accounting, finance, construction, and engineering with a diverse and complementary set of skills to offer our clients. Veritas focuses on supporting counsel and their clients in the resolution of disputes and other business problems, including commercial matters, construction claims, surety related issues, and government contracts.

Veritas provides an experienced team of experts committed to serving clients on a full-time basis. The firm's professionals are skilled in financial analysis, and economic and engineering fact-finding. They are experienced in working with counsel and clients in discovery, negotiation, trial, arbitration, and appeals. The Veritas team includes a mix of Certified Public Accountants*, financial analysts, construction and engineering professionals, and information management experts. Our professionals have the communication and analytical skills required to effectively work with legal counsel and senior management, as well as technical, operational, and administrative personnel. Veritas professionals are dedicated to timely, high quality, and cost effective service in both large and small matters. Our senior professionals have provided expert testimony in federal and state courts, bankruptcy courts, international and domestic arbitrations, regulatory proceedings, and before special administrative boards.

**Veritas Advisory Group, Inc. employs professionals with degrees in the fields of accounting, finance, construction, and engineering with a diverse and complementary set of skills; however, Veritas is not a CPA firm.*
