BRIAN L. INGRAM

During his tenure at Veritas, Mr. Ingram has been involved in a number of commercial and construction related disputes. Mr. Ingram has performed analysis of commercial litigation claims involving fraud in the inducement and breach of contract as well as analyzed construction related projects involving both project cost overruns and schedule delay. Additionally, Mr. Ingram has more than 20 years of experience in information technology including the use of advanced technology for electronic discovery, management, and retrieval of information produced during litigation.

Prior to joining Veritas, Mr. Ingram held a position as a systems analyst for Texas Hydraulics, Inc.
