COURTNEY W. PIGOTT

Ms. Pigott has more than 10 years of experience in estimating, subcontractor coordination, cost analysis, and scheduling. Since joining Veritas, Ms. Pigott has consulted with counsel and clients on matters such as contract disputes, cost controls, design review, and schedule acceleration/delay for engagements on multiple projects in a variety of industries. She has assisted in the quantification and presentation of delays, impacts, and resulting costs for the prevention and resolution of construction disputes involving cost overrun, loss of profit, loss of productivity, trade coordination, and defective work, among others.

Prior to joining Veritas, Ms. Pigott worked for FCI Construction Company as an Assistant Project Engineer and was involved in building the Austin Community College Health Careers Center, Phase 1, as well as preparing for the mobilization of Phase 2.
